

September 2015

City of Tradition and Progress

Mayor's Message:

It's that time of the year again – *students are beginning their 2015-2016 school year!* As students begin a new school year, the City too prepares for a new fiscal year which begins on October 1st. This is an exciting time of year as we look back at the past year's accomplishments and plan for future improvements next year.

We've enjoyed two main summer events this year, our Annual Independence Day Celebration which was a huge success as always, and a new event: *Food Truck & Movie Night in the Park*. Both events had great weather and the turn outs were very good. The Independence Day Celebration's fireworks display was awesome and the food and music kept the crowds entertained. The Movie Night, for being the first time event, was well attended and the food trucks were a huge success! We hope you'll join us next year as we plan on doing a Movie Night in the spring.

Fall is in the air and will arrive momentarily and along with it our **Annual Senior Citizen Appreciation Day**. It is scheduled for **Friday, October 9th from 3-6 PM**. I would personally like to invite our senior citizens ages 62 and up to please join us for this fun and free event. This event always has the Patriotic ring to it; but this year we'll be adding a Western twist. No sauerkraut and sausage this year; our seniors can look forward to baked beans and bandanas. I am also proud to announce that for this Western hoedown, we are fortunate to get a great local band, **Gary & Carol Bibb** (from our Wrenwyck Place Subdivision) *and their Trail Busters Band*. Weldon Spring works hard to plan and implement fun community events but we couldn't do it without the support of our business community and the many event sponsors. Look for a full list of sponsors on our website and in the next full Newsletter issue.

I'd like to applaud the **Mary Emily Bryan Middle School** students, Principal Mark Delaney and his right hand, Barb Sitton for their interaction each year with our senior citizens. Not only do they provide beautiful placemats for our seniors; but their help during and after the event is greatly appreciated. This is just another way we can get the various generations interacting and passing on their knowledge from one to the next.

Our St. Charles County Police Department has been proactively patrolling our streets to keep them safe for motorists, cyclists and pedestrians alike. If you have a safety concern and would like the City or Police to look into the matter don't hesitate to contact City Hall at 636.441.2110 or the **non-emergency Police Dispatch at 636.949.3000**. Additionally the Detective Bureau has been investigating a string of recent vehicle/garage thefts in various subdivisions throughout the City. If you see suspicious activities don't wait, contact the non-emergency number above and report it. Likewise some simple precautions can help protect your property from being targeted by crimes of opportunity. *An ounce of precaution equals a ton of prevention*. Lock your vehicles and garages and don't leave valuables in plain sight. I encourage you to meet, greet and thank our officers when you see them out and about helping to keep our community safe.

Families may want to mark their calendars for **Sunday, December 13th from 2-4 PM for Santa's Visit**. Once again we will be offering **FREE** photo ops, refreshments, face painting & balloon art for the kids and their families.

Respectfully,

Donald D. Licklider

Mayor
