

**Our Senior Community Needs
YOU!**

It has always been our hope that celebrating our Senior Residents would become part of our communities' fabric, much like Memorial Day or Independence Day. Like those sacred dates on our country's calendar. Celebrating Seniors honors those unsung heroes who came before us and played a vital role in the great quality of life that we now enjoy.

You, too, can be a part of this special celebration of our residents aged 60 and better. We look to our Weldon Spring business community for support to help honor this distinctive group of individuals who have helped make this area as strong as we've ever been. We ask you to become involved this year and help us give them a day that shows how much we are ready to celebrate them. Your donations will be well appreciated.

Our strategy for a successful Senior Citizen Appreciation Day depends on the involvement of committed supporters like you!

Okay, we can blame the economy but we can DO something about it. Perhaps look around the office for some little things that have been hiding that has YOUR company name on it – something the Senior Community would appreciate in their "Goodie Bags". Together we can do it!

It's not too late to donate from your heart. As we say all the time – we can't do it without you!

We need your help to make sure that our Senior Community's Dreams stay alive and strong this year. Please give a tax deductible gift today. It may be your last chance for 2014.

To sponsor this event, to set up a table to introduce your company to them or to donate to their "goodie bags" or prizes, please feel free to contact either Pat Oldcroft at poldcroft@weldonspring.org or 636-441-2110 x-100 or Michael Padella at mpadella@weldonspring.org or 636-441-2110 x-102. If you have any questions or concerns, please feel free to contact us for that, too.

We'd like to Thank You in Advance for Your Generous Consideration!
